Part 2

Last week you saw a new film. Write an e-mail about the film to your English friend (ca. 125 words) and speak about the following:

- *write about the film (story, location, actors ...)*
- *why you liked / did not like the film*
- *where you like watching films: in the cinema, or at home on TV/DVD (why)*
- *if you prefer watching films alone or together with others (why)*

Dear

I must write to you because last week I saw a new film... in the cinema. I have gone with my friends to the cinema because I wanted to see the new film of my favorite director. He is George Lucas. The film takes place in the future. This is a sci-fi.

I know you hate the sci-fi but you have to see this film because it is very exiting and scaring.

I was afraid in the cinema because the film was rather noisy. You have to see in the cinema because you will not enjoy on TV. You have to invite somebody to the film because you will be afraid alone.

You can see a new planet, knights and lot of master. You have to see the film because you will like the music of the film.

Well that is all for now.
