No dictionary may be used.

INFORMATION FOR CANDIDATES

This test contains two parts.

Do not make corrections in the grid.

The Consortium will not be responsible for any additional information given by the invigilator.

Reading

Part One

Susie is writing in her diary about her new job. She works at a television company. Read her diary below. Then match the first parts of the sentences (1-10) with the possible endings (A–N).

There are three sentence endings which you do not need. There are only 10 right answers.

We have done the first one (0) as an example.

DIARY

Monday

Today I started my new job. It is so exciting! I work in a big room with three men: Mark, Dan and Peter. Mark can speak English, Norwegian and Chinese. Our boss is Annie. We all work very hard. We are a bit afraid of Annie.

Tuesday

Today Annie and I had lunch together in the cafe. She is really quite nice. She travels all over the world. I asked her which country she liked best. She said she liked India best.

Wednesday

I did a TV interview with a man and his pet monkey Pipo. The man taught the monkey to write. Pipo wrote his name in front of the cameras. It was fantastic! I always wanted to have a pet, so I went to buy a dog in the afternoon.

Thursday

Peter, Mark and I went to an Indian restaurant today. It has won a Best Food prize. Peter filmed me while I ate a very good meal. He did not have any food that day. Poor Peter! He was very hungry!

Friday

Annie invited us all for a drink to a new bar tonight after work. Peter couldn't come, so we went without him. We had a great time. Dan was so funny. We laughed and laughed all evening.

Part Two

Travel guide

You are planning your holiday and you find the Travel Guide website. Match the pieces of advice and the pictures. There are more pictures than advice. You have to mark ten pictures. There is an example (0–A) for you.

0/ If you want any electrical machines to work, you'll need an adapter in the United Kingdom.

- 1/ It is important to have good and comfortable shoes. You won't enjoy your sight-seeing if you want to get them off.
- 2/ It is always good to take photographs when you are on holiday. Do not forget to take your camera with you when you travel.
- 3/ Travellers do not like liquid (shampoo, water) in their luggage. Shampoo on your shirts, sun cream on your socks? Nobody likes that! Only take small bottles with you.
- 4/ Always put some extra bags in your luggage. One or two little bags can be useful. You can keep your wet swimsuit away from everything else.
- 5/ Do not forget your slippers. When you travel to hot countries they are useful for keeping your feet cool.
- 6/ Carry a photocopy of your passport/ID. You might lose your documents or somebody might steal them.
- 7/ If you travel with your pet never leave it alone in the car – even for a short time. The car can be very hot for them.
- 8/ You might lose your luggage. Put a label on your suitcase inside and out with your name, airline, flight, where you travel and your address.
- 9/ If you want to stay at a hotel you should book to that hotel early. It is important especially in the summer months and at popular holiday places.
- 10/ If you are planning your holiday to an exotic country (e.g. Africa) you probably need injections. Go to your doctor.
